

# What is Early Voting?

Early voting is an opportunity for voters that have not requested a mail-in ballot to vote on a voting machine prior to Election Day.

This new option will use electronic poll books and new voting machines to provide voters around the county with access to their ballot at any of the seven Early Voting locations. The closest one is the Community Center on North Jefferson Road in Hanover Township.

Early voting for the 2023 General Election will take place on Saturday October 28 through Sunday November 5.

## Hours:

- **Monday through Saturday: 10am - 8pm**
